University of California, San Francisco
California Poison Control System
Call Center ACD and Communications System

BID BOND

KNOW ALL PERSONS BY THESE PRESENTS: That we _____ as Principal and as Surety, are held and firmly bound unto University of California, San Francisco/California Poison Control System, hereinafter called UCSF/CPCS, in the sum of 10% of the Lump Sum Base Bid amount for payment of which in lawful money of the United States, well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH THAT, WHEREAS, Principal has submitted a Request for Quotation (RFQ) response for the work described as follows:

University of California, San Francisco/California Poison Control System Call Center ACD and Communications System.

NOW, THEREFORE, if Principal shall not withdraw said RFQ Response within the time period specified after the RFQ Deadline, as defined in the RFQ, and, if selected as the apparent lowest responsible response, Principal shall, within the time period specified in the RFQ Documents, do the following:

(1) Enter into a written agreement, in the prescribed form, in accordance with the RFQ.

(2) File two bonds with UCSF/CPCS, one to guarantee faithful performance and the other to guarantee payment for labor and materials, as required by the RFQ Documents.

(3) Furnish certificates of insurance and all other items as required by the RFQ Documents.

In the event of the withdrawal of said RFQ response within the time period specified, or the disqualification of said RFQ response due to failure of Principal to enter into such agreement and furnish such bonds, certificates of insurance, and all other items as required by the RFQ Documents, if Principal shall pay to UCSF/CPCS an amount equal to the difference, not to exceed the amount hereof, between the amount specified in said RFQ response and such larger amount for which UCSF/CPCS procure the required work covered by said RFQ response, if the latter be in excess of the former, then this obligation shall be null and void, otherwise to remain in full force and effect.

In the event suit is brought upon this bond by UCSF/CPCS, Surety shall pay reasonable attorneys' fees and costs incurred by UCSF/CPCS in such suit.
